EDITORIAL STATEMENT

ASSEREN Journal of Educational Research and Development (AJERD) is an off shoot from the umbrella body Association of Educational Researchers and Evaluators of Nigeria. AJERD publication is done annually. This volume is a collection of papers presented at the 24th Annual conference of Association of Educational Researchers and Evaluators of Nigeria (ASSEREN) on 'Evaluation for Quality Education and Human Capital Development' held at Nigerian Army College of Education, Sobi Cantonment, Ilorin, Kwara State from 24th - 29th July, 2022.

ASSEREN Journal of Educational Research and Development (AJERD) is an international journal. Authors should bear this in mind when setting the content of their paper and offering interpretations of data. Contributors should strive to ensure that the content of the paper is clearly discussed and should be in line with title. They should also endeavour to bring to fore the variables of concern in the work and show how they are linked to the major theme of the work. Papers which dwell on the themes of each year's conference should be given priority during peer review of the papers submitted by contributors. Contributors should attempt to situate their research within contemporary issues and the growing international body of literature.

Guidelines for Preparation and Submission of Manuscripts to ASSEREN

1. Journal of Association of Evaluators and Researchers of Nigeria (ASSEREN) is an international peer-reviewed journal published in English, in July and December every year. ASSEREN provides an international platform for the African community of higher education for sharing research ideas, information and experience, as well as ideas about the role of higher education in society today. The journal is published under the auspices of ASSEREN. The journal publishes contributions of research articles on any aspect of education.
2. Manuscripts should be original, clearly and precisely presented in English. Authors should submit their manuscripts electronically. (preferably double space and saved in Word Document format)
3. Each submission should not be longer than 6000 words (15 printed pages) in total, including title, author(s) information, tables, figures, and references. Each article should be accompanied by an abstract of approximately 200 words typed on a separate sheet.
4. Preparation of Manuscript: ASSEREN adheres to a rigorous double-blind review policy in which the identity of both the reviewer and author are always concealed from both parties. All manuscripts are reviewed initially by the editorial board and only those papers that meet the scientific and editorial standards of the journal, and fit within the aims and scope of the journal, will be sent for outside review.
Contributions are considered for publication only on the understanding that they are not simultaneously under consideration elsewhere in English, that they are the original work of the author(s), and that any previous form of publication and any current consideration in other languages are disclosed. Please note that author whose articles are published in the Journal have agreed to assign copyright to ASSEREN.

Submission Preparation Checklist

As part of the submission process, authors are required to check of their submission's compliance with all the following items and submission may be returned to authors that do not adhere to these guidelines:
