# EDITORIAL STATEMENT

ASSEREN Journal of Educational Research and Development (AJERD) is an off shoot from the umbrella body Association of Educational Researchers and Evaluators of Nigeria. AJERD model publication is done annually. This volume is a collection of papers presented at the 25<sup>th</sup> Annual conference of Association of Educational Researchers and Evaluators of Nigeria (ASSEREN) on 'Innovative Research and Assessment For National and Global Change' held at Postgraduate Auditorium, Ignatius Ajuru University of Education, Rumuolumeni, Port Harcourt, Rivers State, Nigeria from 10<sup>th</sup> - 14<sup>th</sup> July, 2023.

ASSEREN Journal of Educational Research and Development (AJERD) is an international journal. Authors should bear this in mind when setting the content of their paper and offering interpretations of data. Contributors should strive to ensure that the content of the paper is clearly discussed and should be in line with title. They should also endeavour to bring to fore the variables of concern in the work and show how they are linked to the major theme of the work. Papers which dwell on the themes of each year's conference should be given priority during peer review of the papers submitted by contributors. Contributors should attempt to situate their research within contemporary issues and the growing international body of literature.

## **Guidelines for Preparation and Submission of Manuscripts to ASSEREN**

1. Journal of Association of Evaluators and Researchers of Nigeria (ASSEREN) is an international peer-reviewed journal published in English, in July and December every year. ASSEREN provides an international platform for the African community of higher education for sharing research ideas, information and experience, as well as ideas about the role of higher education in society today. The journal is published under the auspices of ASSEREN. The journal publishes contributions of research articles on any aspect of education.
2. Manuscripts should be original, clearly and precisely presented in English. Authors should submit their manuscripts electronically. (preferably double space and saved in Word Document format)
3. Each submission should not be longer than 6000 words (15 printed pages) in total, including title, author(s) information, tables, figures, and references. Each article should be accompanied by an abstract of approximately 200 words typed on a separate sheet.
4. Preparation of Manuscript: ASSEREN adheres to a rigorous double-blind review policy in which the identity of both the reviewer and author are always concealed from both parties. All manuscripts are reviewed initially by the editorial board and only those papers that meet the scientific and editorial standards of the journal, and fit within the aims and scope of the journal, will be sent for outside review.  
Contributions are considered for publication only on the understanding that they are not simultaneously under consideration elsewhere in English, that they are the original work of the author(s), and that any previous form of publication and any current consideration in other languages are disclosed. Please note that author whose articles are published in the Journal have agreed to assign copyright to ASSEREN.

### **Submission of Preparation Checklist**

As part of the submission process, authors are required to check of their submission's compliance with all the following items and submission may be returned to authors that do not adhere to these guidelines:

- A. The submission has not been previously published, nor is it under consideration by another journal.
- B. The submission is written in English without technical terms and jargon.
- C. Cover sheet should contain title, full name, institution, address, phone and fax numbers and e-mail address.
- D. Text should be typewritten on one side of A4 papers with 30mm margins. Each typewritten page should have 42 lines, approximately 500 words with Times New Roman '12' point character.
- E. References should strictly follow the most current APA style [7th Edition].
- F. Tables should be self-explanatory and inserted where it is supposed to appear in the body of the paper. A short title should be provided with any additional information contained in a lucid form to explain the meaning of the content.
- G. Figures are referred to all drawings, diagrams, graphs and photographs. These should be of the highest quality and suitable for direct reproduction. Each figure should be presented within the body of the paper.
- H. An abstract of 200 words is included for articles.
- I. The author's profile is complete and update.
- J. Whether or not the manuscript is accepted, the timing of production is decided by the Editorial board.

- K. Galley Proof will be sent to the corresponding author if there is sufficient time to do so. The authors are responsible for reading the first galley proof. No change of content of the manuscript is permitted on the galley proof without the consent of the Editor-in-Chief.
- L. Copyright. The articles published in any of the Journals of Association of Evaluators and Researchers of Nigeria (ASSEREN) are copyrighted to Association of Evaluators and Researchers of Nigeria (ASSEREN) c/o Institute of Education, University of Ibadan, Ibadan, Nigeria.
