EDITORIAL COMMENTS

This is the 23rd volume of Nigerian Journal of Educational Research in Evaluation (NJERE) of the ASSEREN which published some articles presented at the 25th Annual National Conference which held from 10th-14th, July, 23 at Post graduate Auditorium Ignatius Ajuru University of Education, Rumuolumeni, Port-Harcourt, Rivers State, Nigeria. The theme of the conference was "Innovative Research and Assessment for National and Global Change" with 7 contemporary sub-themes designed to provide opportunities for educators researchers and evaluators to share innovative ideas towards the improvement of education in institutions thereby promoting national development.

In this volume there are 21 well researched and peer reviewed articles mostly empirical. the papers published are all based on the main and sub-themes of the conference. the editorial board acknowledges and appreciates the efforts of the editors, reviewers, and contributors for making this edition of NJERE a success.

special thanks go to the executive of ASSEREN for the great role they played and the opportunity given to us to serve. We also specially thank the editorial advisers who are distinguished members of the association.

Thank you all as we hope to meet at University of Benin, Edo State, Nigeria.

INFORMATION TO CONTRIBUTORS

- i. Each article should not exceed 12 (double-space) typewritten quarto-size pages, accompanied by an abstract of not more than 200 words.
- ii. References for citations in the manuscripts should follow the recent APA format.
- iii. Manuscripts which have been submitted for publication elsewhere or which have previously been published are not welcome.
- iv. Subscribers are to pay assessment fee and a publication fee upon the acceptance of their manuscripts as determined by the Editorial Board.
- v. Authors are assured of prompt editorial decisions on manuscripts.
- vi. The journal is published once a year, mostly from papers presented at the annual national conference of ASSEREN.
- vii. If the article is the report of a study it should include: **Introduction, Method, and result.**
 - a. Introduction includes: Background, Statement of problem, Research questions, hypothesis and review of literature.
 - b. Method includes Design, Sample procedure, Instruments and their Psychometric properties, and procedure.
(Note: a and b are all in running sentences, not as subheading)
- viii. All correspondences are transacted on-line and should be directed to
